Subject: Lord Hill-Norton's NEXUS Vol 3 No.6 Oct - Nov 96

From: Ian Ramsey <earthrite@gn.apc.org>

This defence Chief stuff is old hat but Admiral Hill Nortons latest public statement was published in the following open letter in the journal: NEXUS. Clearly he has no problem going public on it. Have you not seen the stuff published by the present incumbent (I think his name is Nick Pope) of the MOD desk for UFO stuff, its certainly not for cerebral hygiene type skeptics or the fearful?

So I cant quote you the reference for the earlier quote you ask about but I believe its from long ago er ...sixties I think. The letter below is less than 2 months old. So perhaps you can write to him yourself and ask him when the earlier quote comes from....after all the truth is out there. However his opinion hasn't changed in the intervening years.

Any way keep taking the tablets and may Clearlight lighten your furrowed brow.

UFO Concern

Dear Mr Roads:

It has been suggested that I should take the initiative to establish an informal group of sensible and respected people who are genuinely concerned with the implications of the UFO phenomenon now manifest world wide, including Britain.

The aims of such a group would include the dissemination of information based on facts, not fiction, together with recommendations for appropriate action.

I have been personally interested in this baffling but challenging problem for many years, and I am in touch with several others who share my view that strenuous efforts should now be made to address the problem.

I recently circulated a memorandum to people I know who share my concern about UFOs, with good results, and I am encouraged in to believe that it would now be useful to bring it to the notice of others who might reasonably be interested, such as readers of your magazine. This would help us to assess the extent of public concern which actually exists about the contemporary UFO situation.

If you feel able to give some publicity to this, I shall naturally be very glad to hear from any of your readers who might care to get a in touch. (SAEs would be welcome.)

Yours sincerely,

Admiral of the Fleet The Lord Hill-Norton, GCB,
c/o The Old Store, Athelney,
Burrowbridge, Bridgwater,
Somerset TA7 0SE,
United Kingdom.
