As Mr. Shell is asked to reveal his secrets here, can he also reveal his knowledge about the mysterious Volker Spielberg of the AA-film?? In a couple of letters to me he confessed to have information that could verify the genuineness of the AA-film:

"Jorgen,

I am not at liberty to disclose private information on Mr. Spielberg. You might try asking Mike Hesemann as he may not be under the same agreements as me.

Bob"

Here I wrote him back and informed him of him revealing his knowledge of the AA-film so we all can verify it as a hoax or genuine.

"Jorgen,

I was given Mr. Spielberg's personal address and phone number under an agreement of confidentiality.

If you feel that honoring my agreements like a gentleman detracts from my credibility, so be it. My word is my bond."
