Nick Pope is not that informed on anything on the subject. One would think this is surprising as the last AS2A. Anyway, he's currently working on the follow up to 'Closed Minds' and contributing to a UK magazine, whose name I forget. No mental hygiene here.

The present incumbant of the AS2A desk is the forthright and downright chatty Kerry Philpott.

>Admiral of the Fleet The Lord Hill-Norton, GCB,

Good to see he's still at it, but perhaps someone should point him away from Nexus?

James D,
