Rebecca,

As I said, this came from one of my correspondents who said the programs were originated at WETA (Channel 26) in DC.

I passed it on clearly as hearsay, and FWIW. FWIW may be nothing!

Bob

BTW, I am hoping that the promised video of the program will actually be sent. I don't like responding to things I have not seen, but was simply sick and tired of hearing "McGovern said....." from all directions.

If McGovern is really saying what he is being quoted as saying, something is seriously wrong.
