Michael Christol commenting on Glenn Scheper reveals Ezekiel's Wheels, was chickahominy when he said;

>I won't even go into the "creatures" in the object.

I wish you would. It would be refreshing to get this Biblical Roswell case solved once & for all. Heck, you know me, Mike, going where Angels fear to tread is nothing out of the ordinary.

\* For those who choked on chickahominy it simply means young chicken which translates to 'a little chicken'
