Thanks for the compliment which considering the source is not worth squat.
Just kidding Bob. NO, you do not anger me merely by existing... it is just
the fact that you exist which angers me. Just kidding again.

You know there is really no tactful way for me to answer this. I have tried
about 10 times and can't think of the appropriate words to dance around the
issue. <g>

I like you Bob, I like lots of people. But that does not mean that I believe
or trust everything they say. I'm sure you have found yourself in a similar
situation before. Maybe I showed poor judgment by stating "considering the
source" so publicly. But FWIW, it's the truth, as I see it.

Nothing personal though. You're still a nice man. And I really do like you.
Maybe we could play poker sometime. <g>

Rebecca

ps. Here's some extra g's for you to put wherever you like in this message.

Hope that is enough.
