 Subject: Cameraman Image

Errol,

I was somewhat distressed to find that my response to Jorgen Westman had been sent out with what is apparently one of the images of Jack attached, which might make people think that I had sent the image.

If this is, indeed, one of the images of Jack, I would appreciate it if you would let everyone know that it DID NOT come from me. My uncertainty over the content of the image springs from my inability to decode it.

Bob

I would like to point out that the images of the 'cameraman' were sent to me anonymously, and NOT by Bob. _I_ attached them to Bob's message intending to add a footnote to it - I don't recall what the distraction was that caused me to not do so. My apologies to Bob.
