Alfred's Odd Ode #80

From: **Alfred Lehmborg** <Lehmborg@snowhill.com>

Subject: Alfred's Odd Ode #80

Apology to MW #80 (For January 22, 1997)=20

You say it can=92t happen in this nation of nations.
You say *they* don=92t covet, or hide.
You say the gub-mint is forthcoming;
You say there=92s no mystery inside.

Well =96 down here in the bible belt
They _discourage_ *their* hell.
It=92s hard to find a =91dirty=92 picture;
It=92s hard to find, or hear, Art Bell.

And some book stores ban fringe books --
Local business a Christian Mafia.
Just a few years ago you couldn=92t buy beer,
"Don=92t let massive drunken driving curb or stop ya=92!"

This place is capped off, shut down, and indentured.
I wouldn=92t live here, but it=92s cheap.
Ask _legitimate_ questions about the comet, Hale-Bopp.
They don=92t know a thing, not a peep.

They talk importance of the family;
They talk aloud to every one!
They talk again that it=92s *important*,
But what they mean is thinking=92s done.

They want to hear that it=92s all right
They want their culture=92s healing.
They want the *big stuff* taken care of;
They don=92t feel elitist stealing.=20

They learn this in their education system,
A system stiff, and reproductionist.
A system paid for only grudgingly.
A system =91safe=92, =91cause kept traditionalist.

So with Newt, and our veterans -- CIA run amuck --
With all that is caught, and on view. . .
Why can=92t you admit that a secret is lurking;
A secret, not known, disrespects you.=20

. . .Damned if I don't feel guilty when I use a paper towel, and rightfully so.

There are secret societies, Virginia! We've turned our police force into one. Minority folks are another. There are more. They occur as you don't give them your attention, and too many of them are not *nice*.
