>Jorgen quoted Bob, I think;

>impertinent of a child to lecture a grownup.

>Bob, is this how you see yourself?

>James D,

James,

I just appended the definition of impertinent from my computer's dictionary, since it seemed from Jorgen's writing that he was not a native English speaker. No, I did not intend any one part of that definition to be taken out of context. Actually, I was thinking of the "not pertinent" part of the definition mostly.

No, I don't see myself as a grownup and Jorgen as a child.

Bob
