### Autopsy Cameraman photos

Subject: Autopsy Cameraman photos

Fortean Times received a notice from Orbital Media Ltd warning us that any unauthorised use of images of the 'cameraman' downloaded from the net or obtained elsewhere would result in legal action. I guess the letter went out to many publications.

We will of course comply as we have no wish to flout the laws of copyright, but we deplore, generally, a situation in which data that can help clear up the complex mysteries that abound in ufology today are commercial property. It makes genuine research and progress towards answers and understanding very difficult.
