From: Don Ledger,

Hi Drew,

I think if you check your paper again you will find that they were nearly two days late getting it on the front page. That was a Friday on October 6, 1967 story you were reading. Wednesday was definately October 4th. Also check the synopsis I posted a few moments ago. I got your note after I posted it. I'm impressed as to how quickly you were able to access the Herald. Have you got an inside source to the paper files?

Regards
Don
