### Alfred's Odd Ode #85

Fwd Date: Wed, 29 Jan 1997 01:52:05 -0500  
Subject: Alfred's Odd Ode #85

Apology to MW #85 (For January 28, 1997)=20

As regards ebk, honored king of the list;  
It is through his brave effort that we all get the gist.  
He opens potentials where media won=92t go  
If we rise from our crawl it=92s for his horn to blow!

Providing a platform that has some respect,  
We hear from some clear minds that we know see neglect  
In a media fraught with a big man=92s intolerance. . .  
In a media soap selling, glitz serving, incompetence.

So a toast to a man who can look at the sky,  
Who can tell wheat from chaff, and continue to fly;  
Who can give it a hearing not found anywhere. . .  
To a man with rare guts to look, peer, and stare.

Lehmborg@snowhill.com

. . .part of that air that I breath; air required for quality of life;  
air denied me by an oppressive culture. I breath this mixture and I am  
free =96 sure as hell glad I quit smoking what I find in the sheeple main  
stream! Thanks for being \*here\*, ebk. You are a much grander,  
courageous, and useful person than your lower case letters imply.
