Thanks, I'll pass John. ;-)

I dunno John, but I think he believes that an Reptillian Hybrid
'Walk-In' attended one of his
CE-IV meetings that I attended. She was sitting next to me. ;-)

That is a typo above John. I can reliably report that the good
Doc drives a Nissan Pathfinder.

I believe that he bought it in hopes of insuring that he always
followed the right path.

As all can see, the attempt failed miserably. <grin>

ROTFL!!!

I wonder if he is going to show at each of the quarterly 'Star
Vision' Conferences?

I understand that there will be another of these soon down in
Santa Fe.

Geeeee... maybe I should mosey on down there. <grin>

Naw, I AM proud to announce that tomorrow evening at 7 p.m. at
the Farmington Civic Center there will be a gathering of many
(hopefully) good souls in order to explore the idea of forming a
4 Corners Area UFO investigative group. We have had flyers up
all over town to that effect for the better part of a month now.

I got quite a few calls this past weekend as to the particulars
in that the Paper reported it, but failed to mention the
location of the meeting. (must've been the nefarious UFO
coverup) ;-)

Just think! If this goes over perhaps I will be able to invite
Ole' Doc B in for a presentation!

Should be good for some Comic Relief! <grin>
