>what some call UFOlogy and I call extraterrestrial related phenomena research  
>is an emotionally intense arena.

Some, perhaps a very few call it or spell it 'UFOlogy' - most,  
if not practically all, spell it 'ufology'. To pronounce it  
U-F-O-logy (as your upper case first three letters suggest)  
is un-necessarily tongue-tripping. 'Yew-fology' is simpler.

>Providing professional, Washington, DC based, consulting, research and  
>lobbying for individuals and organizations pursuing the field of  
>extraterrestrial phenomena research.

If you're going to represent ufology in Washington, as a  
professional, may I suggest that you refer to us as  
'ufologists' and not 'UFOlogists'?

Errol Bruce-Knapp
