Mark, thank you very much for this report which includes the statement by Lee Winterson.<S>

These hoaxes strongly destroy the credibility of Ufology. It is frustrating that events such as this take place when so many well intentioned and honest folks put a great deal of their time and money into discovering the truth.

Reputations are constantly being built but easily destroyed in an instant. Always resulting in some degree of permanent loss.

Regards,

Greg McDavitt - Sysop
