I'm still waiting and have been for the last two months, for Kal Korff to deliver on his promise of a multi-page rebuttal on Billy Meier's charges about Kal Korff. Evidently, Kal Korff is fond of making promises but not actually delivering on them.

Kal Korff has NO room to raise questions about Jim Dilettoso authenticating anything when HE CANNOT follow through on his OWN statements.

Either stand and deliver Kal, or get the hell out of here and stay out and be forever known as a worthless debunker who refuses to substantiate his rhetoric with FACTS.
