Subject: Re: UK - IRN report re: GCHQ

Hi All,

On the 11.30am Independent Radio News on a local MOR radio station here in Manchester I just caught the tail end of what sounded like an interesting item. It seems a report has surfaced from the UK Govnt Communications facility, GCHQ, located near Cheltenham which confirms they were called in to monitored "unknown objects" operating over East Anglia in October of last year. The item was repeatead on the 2pm spot but gave little info and was just used as a "and finally" item.

Any UK list member have more info on this report??

Best Regards
Neil.
