Subject: Iowa Sightings?

Greetings All,

I am looking for any information that you might have on sightings in Iowa. For instance, I seem to recall seeing in a book many years ago a picture taken of a UFO right by the water tower in Hiawatha, Iowa, although I can't for the life of me remember what book I saw it in.

Also, I am looking for any material that you might want posted on the web (with proper credit to the contributors, of course), for the web page that I am currently working on.

Thanks in advance for your help!

Phil Harmon
