The person who has the evidence has contacted FUFOR, MUFON & CUFOS. I'm not sure who will get the report first. As I said yesterday, at least wait until you read the report.

Kevin Randle's book, "UFOs In The 90's", covers many subjects and updates us all on key or prominent cases. I don't agree with everything, but the book is pretty accurate. The conventional wisdom on the Walters is not going to be well-accepted by many readers.
