"Linda is already outed and has been for some time"?  
Oh, the tangled web we weave...wishful thinking on your  
part, Dennis. I suppose, that's what you'd like everyone  
to believe, huh? But the fact remains, you have been  
trying to \*out\* me for years, unsuccessfully. No, you don't  
have anything against me personally, but you do have  
something against Budd Hopkins. Using me as a tool, to  
get back at Budd for whatever disagreements you've had  
with him in the past, isn't a good tactic to use. It just doesn't  
work. People are not going to \*out\* me just because you wish  
they would.

As far as Budd Hopkins is concerned, you and I know who  
revealed my legal name. Why do you pretend it was Hopkins?  
The three debunkers from South Jersey (you know, the ones  
you've sided with against Hopkins) gave my real name to Jim  
Moseley in 1992. Jim Moseley, in turn, published it in his  
newsletter. This is how my name was originally revealed.  
The gate-keeper, Budd Hopkins, did not reveal my name and  
you know that. I don't know what's been rolling around in your  
head, Dennis, but you have even asked John Velez and Greg  
Sandow to direct their rage at Budd. You seem obsessed with  
your dislike for Hopkins, even if you were joking. It shows.

It almost seems as though, you cannot separate me from Budd  
Hopkins. To you, I don't have an identity of my own. Strange,  
isn't it? You couple the both of us as \*one person\* simply  
because he has investigated my case. Even you must admit, this

is a very unusual way for you to perceive things.

Every abductee and alien abduction researcher, has good cause to moan and groan to you. After all, you've offended most of us. And speaking of most of us, the majority does not know my real name, as you have presumed. So, I'd like to keep it that way.

Do you know what I think, Dennis? [As I remove the Yankee baseball cap off from my head, so as not to look like George Steinbrenner]. I think that people like you, have had a bad case of \*Swamp Gas\* for too long.

Thanks for the amusement.

Linda Cortile
