>really a photo or not.

Hi John,

the attached jpeg is neither a photograph nor an 'artist's impression'-  
it's something made up in Photoshop with the help of a couple of  
filters and plug-ins ('lens flare'...grin).

It's not even done good, not even a piece of art...sorry. The more  
I think about it: it's awful. Disgusting. Terrible. Most unfortunate.

Gee...

Cheers,  
Ralf
