Subject: LAKE ONTARIO

>This is further to my posting of Saturday night's events  
>regarding the orange spheres over Lake Ontario.

The description of these orbs as brilliant gold or orange is identical to descriptions given here in Arizona and in California. One couple told me they had been seeing these for a number of years but did not know what to make of them. They videotaped the recent sighting of these orbs near the Estrella Mountains south of Phoenix from a vantage point in Moon Valley on March 13th.

Sincerely,

Bill Hamilton
