The Huntsville Times, May 1, 1997 ,page B2, reads in part, "The
helicopters that folks here have been hearing aren't those choppers
that right-wing fanatics say will be part of a U.N. invasion. The
Redstone Arsenal airfield has served as a staging base for a two-day
exercise by the 101st Battalion from Fort Campbell, Ky"....."Aabout
36 helicopters and 150 soldiers participated in a practice attack on
Fort McClelland near Anniston"
