Hi Errol, hi All,

I had the pleasure of spending two afternoons with the notorious Mendoza. (aka Peter Brookesmith) He's a genuinely bright, charming, funny and down to earth person.

Peter's in town researching a book he's writing which will deal with UFO related abduction accounts and some theories/explanations that Peter wants to explore.

While here in NY he be met with Budd Hopkins, Greg Sandow and myself. I wish him a safe trip home after his stay here. (And I hope he doesn't get busted for smoking ciggies in the 'loo' on the long flight home! <G>)

I disagree with Peter on \*almost everything\* concerning UFO's and especially anything connected to the abduction phenom. But I can't help liking the hell out of him. I believe that almost in spite of our dramatic differences in views/beliefs and the fact that I KNOW I'll be pissed as hell when I read his book,...

I have made a good and hopefully lifelong friend. <G>

Gods speed Mendoza.

John Velez
