I spent hours with the guy, and couldn't have said it better. Duke Peter is smart, honorable, and a great deal of fun, though wrong, of course, on everything (well, nearly everything) that concerns UFOs.

Still, if every skeptic was as open-minded as Peter can be, the world (and ufology) would be much better off. And I was happy to meet someone as disreputable as myself, who can quote Nietzsche on Parsifal and has suitably decadent tastes in food, drink, and women...
