Subject: FYI - Boylan Wriggling

Geoffrey Stewart Nimmo sent the following, yesterday. It is posted for your information only and for follow-up posts from subscribers who were involved with the Boylan posts in the early days of this List and over on Fido's UFO & Odyssey/BAMA. (Ed. Stewart, John Powell, Don Allen & John Velez)

Geoffrey's heart is in place - I'm not sure about his access to all the information regarding Boylan's 'Case'.

The Boylan Ban still applies on this List - none of his messages will be posted - no Boylan-based discussion.
