Why Bruce Maccabee chose to use a third party to distribute this series of posts instead of subscribing and then posting directly to this List is not really a mystery. Anymore than his excluding one line from Barbara Becker's header in her original post: 'To: ufo updates <updates@globalserve.net>'.

I think he knows that UFO UpDates is operated by a MUFON Ontario member who was also involved with the team that spent a considerable amount of time exposing the 'Carp Caper'.

What a can of worms his subscribing here would have opened up!
