Hi Errol, Hi All

We here at UK-UFO-Network Online had the very great pleasure of having Stanton Friedman as our special guest on saturday the forth of October.

Since the log of the meet is extremely long, Stan was online for over two hours, a webpage with the log has been made and uploaded to one of our UK-UFO-Network members webspace.

The log can be located at

<http://www.crowman.demon.co.uk/stanton-friedman.htm>

I reccomend it as a very excellent read as Stan answered many, many questions in the time that he was online.

There are things in the universe billions of years older than our human race. They are vast, they are timeless. If they are aware of us at all we are of no more consequence to them as ants are to us.
