I'm not a sure what you are referring to. Were these calculations  
in a personal letter to you?

I can, of course, upload the short papers I wrote back then  
detailing the analysis of the hood reflection and the study of  
the road reflection. One of these was published by MUFON.

And, incidently, whil you're beating on Photo 19, I wonder if you  
have any comments on a similarly important photo, #1, or on photo  
11 (blue beam photo).
