Behind American Computer Co. - Addendum 5

Subject: Behind American Computer Co. - Addendum 5

the relevant folks over at American Computer Co. are the following:

Jack Shulman President and CEO
John Schwartz VP of administration
The "consultant"

I was recently informed that the consultant is actively contracting for the DOD. Alright, well the DOD is a big organization. When I asked which division of the DOD the only answer I got was a segment that deals with defense communications.

Art Bell stated on his radio show the other night with Linda Howe that they were going to try to get a voice scrambler and get the consultant to come on the show. When I asked ACC what their response was to this they said it probably won't happen.

I have an unconfirmed report that Sam Sherman spoke to Shulman..supposedly Sherman is doing a documentary on an Edwards Air Force base incident of some kind.

On a more impertinent note, one of the executives told me that they have been receiving a good deal of anti-semetic e-mail in their Roswell response form. Schwartz and Shulman are the only Jewish people in the company so the impression was that it was specifically focused at them.

Jared.
