>several feet long or longer?

Michael,

I'm very willing to look again. I didn't claim in my short post that I had looked at all images of "rods", just that the ones I had looked at looked insects to me.

Since images are up on a number of web sites, tell me which specific one you think has convincing images and I'll take a look.

I've got no vested interest one way or another in this.

Bob
