Subject: Re: 'Rods'?

Hi list,

Look, I didn't ask to get involved in this controversy over "rods". Someone else asked my opinion. I answered honestly.

So why do I get a weird public post and a threatening private one from someone???

My credentials have been posted numerous times in the past, and I think anyone who cares already knows what they are. Anyone who doesn't know can go to the archives.

I have no real interest in this whole bit with the so-called "rods". I'm not really interested in searching for tiny UFOs when we've got really big ones to contend with.

I'll look at images if people care to tell me which ones they find convincing and where they are.

Bob Shell
