Well, I thought I'd have time to get this done this morning, but I don't. Going to send what I have, and then I'll supplement if I can. Note the block of Castle Ghosts shows on THE LEARNING CHANNEL on Sunday. The SCI-FI CHANNEL's website has kind of a strange numbering for this week's eps of MYSTERIES, MAGIC AND MIRACLES. It indicates repeats in the middle of the week, which would be atypical. I'll see if I can get them listed...

I'm very excited about this! Some of you know, I ran a bookstore for
years,
and it has always been a love of mine. I get asked often to recommend books
(I do write reviews for several publications) on these topics, and now I can
do it and actually give you a source for them at the same time! This is
being done in association with Amazon.com, which has an outstanding
reputation for the five "S"s of internet shopping: selection, searchability,
service, savings, and security. If there is any specific book you want (or
topic in which you are interested), let me know and I will do the research
and e-mail you a link you can use to check it out more (and order it if you
want). I will be linking to books within the Media Alert, to make it more
efficient for you. If you click on the link, you will be sent to that title
on Amazon. You do =not= have to buy it at that point! You may, but the
option is yours.
