>Jerry,

Hi Rob

Sorry if I dig this old chestnut, but due to one thing or another I have not been able to read more than a few UpDates, I now have to chance to catch up with my eight hundred plus email backlog.

>>I cite numerous examples in my UFO Encyclopedia.

>As you keep telling us. If you send me a copy I promise to read >it. I have not seen your book on any UK bookshelves... is it >mail-order only?

Well I got my copy from Waterstones who said that they kept it in stock. The only reason I had to order mine is that I ordered it before it was released over here.

If you get really stuck I'll send you the ISBN and a phone number for a local to you Waterstones bookshop.
