Just a few minutes ago a military friend called from Coyhaique and told me that yesterday, Friday (August 21) night a 400 meters wide triangular UFO was seen by many people in a region called "Cochrane" (100 KM south of Coyhaique). Local police saw this UFO and got so impressed that they are conducting an official investigation.

That same night near Coyhaique also, a military base while doing night training saw a big ball of light fly over them. As far as my friend knows two pictures were taken and hopes to get copies of them soon.

Saludos,
Luis Sanchez
