You didn't visit alt.paranet.ufo. You visited the Windsor site.
As you are aware on the site there are many files that were
dumped on in 1997. I contacted the guy who put them on and asked
him if he would be willing to add the complete response to the
AIR "report." I subsequently emailed it to him and it may be
up by now.

Thank you for your interesting comments on the Mexico City Video of Aug 6, 1997. You are correct that this video stor began with a black mark against it: anonymous witness. Then things got worse (Maussan, the Elders, UPN)
