Subject: UFO Research Request

Dear colleague,

If you have already received this request request then please ignore it.

I am attempting to devote as much time as possible in to a long term study of three particular aspects of the UFO subject and would therefore appreciate your assistance with obtaining information.

I am looking for any and all information on the following three topics:

1. UFO sightings, contacts, abductions, etc, etc, by people age 18 or under, from any where in the world.
2. UFO landings reports. Again from any where in the world (no age limit of witnesses).
3. Reports of suspected UFO landings, ie: UFO may have been seen to go to ground behind a hill etc. Again from any where in the world .(No age limit to the witnesses).

It is my eventual hope to study these topics and publish accordingly. If required any such information will be treated in confidence, and credit will be given to individuals, researchers or organisations if the material they have provided ends up in print.

Any assistance with this request would be greatly appreciated and I would be most grateful if you could forward my request on to anyone who you think might be able to help.

Yours Sincerely,

Philip Mantle, co-author 'BEYOND ROSWELL'.
