"THE BLACK HELICOPTER"

I was about 4:40 PM EST, I was in the house washing up when I heard the noise of a helicopter over the house, I went and got the camera and walked out onto the back porch. There was what looked like a Black helicopter hovering directly over my home at about 1500 - 2000 ft. I aimed the camera and started to take pictures but after the first one I took the camera ran out of film The helicopter did not appear to have any markings or identification on it. It did make the "typical" noise a helicopter makes. It hovered for about 2 minutes, during this time it appeared as if it was spraying a liquid substance from the bottom of the helicopter onto the ground and homes below,
