Subject: Re: Communication with UFOs?

Dear Updates.

In my earlier post which included a gif. file of an "event" that I documented last May, I neglected to include details of the camera that was used.

For your information:

PANASONIC "OmniMovie" VHS format.
PV-610-K
8:1 Power Zoom

At the time of this "event" I was also using a X 5.5 Tokina converter

I then had "stills" taken off the VHS tape..

Sorry about the oversight.

Best wishes,

JJ
