Second Posting to Query from Bruce Maccabee:

Hi Bruce.

Here is the posting I did to UpDates on Sunday, again:

Dear Updates.

In my earlier post which included a gif. file of an "event"  
that I documented last May, I neglected to include details  
of the camera that was used.

For your information:

PANASONIC "OmniMovie" VHS format.  
PV-610-K  
8:1 Power Zoom

At the time of this "event" I was also using a X 5.5 Tokina  
converter

I then had "stills" taken off the VHS tape..

Sorry about the oversight.

Best wishes,

JJ
