<snip>

>David Rudiak

David,

I have an email signed by you. It is difficult to tell whether it came directly from you or from UFO Updates in Toronto, and which parts were written by you and which parts were written by others. To respond to the final statement:

>One wonders what happened to make Johnson change his mind about  
>all this and start accusing Kevin Randle of misrepresenting his  
>original testimony.

You might try asking me.
