Bob,

Speaking of that have you heard some of the 1990's latest theorys on the Z film. People that follow the Kennedy assassination are now claiming --based upon their interpretation of the evidence, artifacts and what not. That the Z film was tampered (frames missing, film altered etc) with at the National Photographic Interpretation Center on the night of the assassination.

Wouldn't that be a hoot if somebody came up with a like minded theory about the Santilli film.

Cheers,  
Robert
