IT appears that ACC wants "leakage" that results in public  
knowledge/viewing of "the whole enchilada"..... craft, bodies,  
whatever, that constituters absolute, irrefutable proof. If is  
apparently presumed that the "confidential" information  
leading to this happy state will come from someone with a  
clearance/need-to-know.

And, in that regard, anyone contemplating that megabuck who  
also has a clearance may be thinking....

Go straight to jail  
Do not collect \$1,000,000.
