<snipped>

Dear List:

For the record: The UPN/Kiviat production was NOT in the least bit original. It was nearly an exact copy of a film produced by Dean Alioto/Axiom Films in San Francisco in 1989, titled, UFO ABDUCTION. 75 minutes. Alioto took a group of friends, etc. for a weekend and enacted the nearly identical sequence of events depicted in the UPN docudrama. He did not however, intersperse interviews with 'personalities' in his film.

Tom T.
