Subject: Re: The Battle of Los Angeles

Some time ago, on his 'Sightings on the Radio' show, Jeff Rense referred to the so-called Battle of Los Angeles, chronicled in the LA Times, in which fighter planes 'skirmished' with a large globe shaped (?) UFO over LA in, I believe, 1941 or 1942. Jeff was considering posting more info on his web site, but pointed out this was quite an undertaking (the article was long, and would have to be hand-typed). So far, the article has not appeared.

Does anyone out there have any info on this incident, or a reference to the LA Times edition in which the sighting was originally reported? Apparently, a rather spectacular photograph accompanies the article.

Any help appreciated,

Brian
