Subject: RAF - Rudloe Manor To Close

Hi,

Just announced on my local news this morning. The Security and Air Provost facility is to be closed saving the airforce =A310 million pounds. No mention of where any personnel/functions would be relocated to.

Just in case anyone is wondering as to the relevance of this information, Rudloe Manor is believed to be the facility where any secret British UFO material is held and processed.

Regards to all,

Mike
