POLICE AND NZ/OZ UFO HOTLINE LOOK INTO UFO CUBE..

Wednesday 18th March 1998 @6.20pm Queensland.

Respondents reported sighting a rounded edged black cube shaped object carrying a bright white travel over the district.

The black cubed dropped the accompanying light (falling to the ground) and then changed direction towards Kingaroy. (to the NW)

Total sighting time was about 2 mins, the object appeared to be moving faster than a commercial Jet. As the object traveled away and about the same time of the white light impacting the ground a loud rumbling sound was heard, the sound was unlike a sonic bomb but almost like the rumble from a high altitude jet or roar.

Over the past 3-4 nights the OZ National UFO Hotline has been receiving UFO reports from the Kingaroy area. Respondents have reported seeing bright white lights crossing at low altitude over the area. The first of these reports was on Saturday and then each night there after.

Times Sat 6.40 Sunday 6.33 Monday @ 6.26 Tues. 6.33pm. Wed 6.20pm..

Tuesday 17th @ 6.26 6.33 PM EACH NIGHT Kingaroy

The National UFO Hotline wish's to hear from anyone who may have photographed these objects..
