It's also a fact that no inmate of a mental home or patient in
the psychiatric ward of a hospital has ever reported a ghost or
poltergeist experience (whilst in the home/hospital ward) [UK
research indicates this].

I would also bet that no-one in such a grouping has ever reported
being abducted by aliens.

It must be to do with the mental state of such people and their
view of reality.

[P.S. I am NOT implying, nor do I believe, that believing
Christians should be in mental homes!]
