Subject: Information needed on VanTassel

I am doing some research for someone who emailed me asking for help to find information on VanTassel, I have been unsuccessful and was hoping someone here could help.

-----original email follows-----

What ever happened to the guy VanTassel who reported to have gone aboard a UFO and wrote the book Into This World And Out Again?

He had a home under a Big Rock or Giant Rock near Landers California. I was there and talked to him but it was about 35 to 40 years ago. Let me know if you have any information about him.

-----End-----

Thanks for your help in advance
