## UFO UpDates Mailing List

### Enhancements to UFO Updates Web Archive

 Subject: Enhancements to UFO Updates Web Archive

I've made some improvements to the UFO UpDates web archive at <http://www.ufomind.com/ufo/updates/>

-- The "Search by User Name" feature is now working again, and the search engine is immediately updated whenever a new message comes in.

-- In new messages, the username portion of every email address is a hot-key which leads to a list of all messages by or about this person. This is a good way to track down other messages in a thread.

-- A "Search by User Name" query box is now available at the bottom of the main screen.

-- We are now keeping a counter of all messages in the UFO UpDates archive -- currently approaching 10,000! The counter is at the top of the main page.
